**Address:** Alimosho, Lagos
102213, Lagos

## EDUCATION

**Bachelor of Science in Computer Science**
Ekiti State University (EKSU)
Expected Graduation: 202X | GPA: 3.7

## OBJECTIVE

Seeking a front-end development internship where I can apply my skills, contribute to real-world projects, and continue learning under industry professionals.

## CERTIFICATES

Responsive Web Design – freeCodeCamp (2024)

JavaScript Algorithms & Data Structures – freeCodeCamp (2023)

Frontend Development – Coursera / Udemy (Optional)

## SKILLS

**HTML & CSS**

**JavaScript**

**React.js**

**PHP**

**Python**

**Responsive Design**

**UI/UX Design Principles**

**Wireframing & Prototyping (Figma, Adobe XD)**

## PROJECTS

**Smart Portfolio Website**
Built a responsive portfolio site with clean animations and a modern UI using Figma and JavaScript.

**E-Commerce Product Page Redesign**
Redesigned a product page to boost user engagement using React and Figma; improved CTA clarity.

**Mobile Banking App Prototype**
Designed a mobile-friendly banking app prototype in Figma focusing on ease of use and accessibility.

## STRENGTHS

**Problem Solving ★**
Able to quickly identify issues and implement efficient, user-focused solutions in both design and code.

**Collaboration 🎗**
Works well in team settings with clear communication and a strong sense of shared goals.

**Adaptability 🏆**
Easily adjusts to new tools, trends, and changing project needs while staying productive and focused.
